HB 2484 - SB 2606

January 17, 2008

SUMMARY OF BILL: Exempts places of worship from posting no smoking signs as required by the Non-Smoker Protection Act.

ESTIMATED FISCAL IMPACT:

State Expenditures – Net Impact – Not Significant

Assumptions:

- There will be a reduction in the number of facilities that the Department of Health is required to inspect for signage requirements which will not result in a significant decrease in state expenditures.
- The Department of Health will incur an increase in the amount of documentation per inspection to determine if such facilities meet the requirements to be classified as a place of worship. Such will not result in a significant increase in state expenditures.
